YOUR JOURNEY TO EDINBURGH NAPIER

Available Progression Degrees

BA (Hons) International Festival and Event Management

You will learn how to plan, design, market, operate and develop events, as well as how these vents can be used to help local economies and communities.

BA (Hons) International Hospitality Management

Develop your skills in the design, delivery and management of food, beverage and accommodation to top industry standards with a global business environment.

BA (Hons) International Hospitality Management and Festival & Events

You will be studying hospitality in the Festival city where we have 12 Visiting Professors from the key Edinburgh Festival events. You'll study the principles of hospitality management, specialising in festival and event. We teach our students in an applied way, which means that you will be able to put your learnings into practice.

BA (Hons) International Tourism Management

Covering practically every aspect of tourism management, from impacts and sustainable development to destination and visitor attraction management. It will equip you with the knowledge and practical experience to prepare for a career in tourism management.
