

# November intake now open!

Experience the UK's most exciting season – start your studies this November.

Experience UK winter festivities and seasonal part-time job opportunities.

Beat the September rush with lower flight fares and quieter airports.

Benefit from quicker visa processing outside peak periods.

Smoothly secure accommodation before the busy January rush.

## Why Choose the November Intake?

Begin your studies sooner and settle into campus life at a calmer pace. With more time to prepare your visa, better chances of securing your ideal accommodation, and the opportunity to experience the UK's festive season, the November intake offers a smart and exciting way to kick-start your academic journey.

## With our enhanced November intake, students can now start their studies this November

- Exciting Pathway Scholarships and Progression Scholarships
- Pick from a wide range of subject areas
- Additional academic support at no extra cost
